Office Action Summary

Art Unit: 1642

DETAILED ACTION

1. Applicant's election with traverse of Group I (claim 1) in Paper No. 5/B is acknowledged. The traversal is on the ground(s) that there is no burden of search on the Examiner. This is not found persuasive because the Groups were developed also based on different subject matter as well as different classifications. Each of the groups, as set out earlier, are able to support distinct and independent patents.

The requirement is still deemed proper and is therefore made FINAL.

2. The communication filed April 16, 2001 is not fully responsive to the Office communication mailed March 14, 2001 for the reason(s) set forth on the attached Notice To Comply With The Sequence Rules or CRF Diskette Problem Report. Applicant must comply with the requirements of the sequence rules (37 CFR 1.821 - 1.825) before the application can be examined under 35 U.S.C. §§ 131 and 132.

Since the above-mentioned reply appears to be *bona fide* attempt to comply with the requirements of the sequence rules (37 CFR 1.821 - 1.825), applicant is given a TIME PERIOD of **ONE (1) MONTH** from the mailing date of this communication within which to correct the deficiency so as to comply with the sequence rules (37 CFR 1.821 - 1.825) in order to avoid abandonment of the application under 37 CFR 1.821(g). **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

3. Since the elected group needed the search to be performed based on Sequence ID in the claims, the Application must comply with the Sequence rules for a search can be made, and the claim to be examined.

4. Papers related to this application may be submitted to Group 1640 by facsimile transmission. Papers should be faxed to Group 1640 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notice published in the Official Gazette,
